Mock Trial Wednesday, May 14, at 8 P. M., Bank of Charleroi Hall. Under Auspices of P. H. C.

THE CHARLEROI MAIL

VOL. XIX—NO 289. CHARLEROI, WASHINGTON COUNTY, PENNSYLVANIA, TUESDAY, MAY 13, 1919 TWO CENTS

REV. T. D. REES RESIGNS AS PASTOR OF THE FIRST BAPTIST

Has Accepted Call to First Church at Beaver Falls

WAS SUCCESSFUL IN CHARLEROI

The Rev. T. D. Rees, for almost two years pastor of the First Baptist church of Charleroi, at a meeting of the congregation held on last Sabbath, tendered his resignation as the pastor of the local church. The Rev. Mr. Rees came to this place from Port Norris, N. J., and while there he was pastor of one of the strongest Baptist churches in the West Jersey Association. He came to Charleroi as the successor of the Rev. Mr. Carl at the urgent request of the local congregation. While there his work has been eminently successful.

As a result of his own evangelistic efforts several members have been added to the church here, and the church generally brought to a high state of efficiency in christian work. In view of that fact the local congregation was utterly unprepared for the message they heard last Sabbath. At the present time Rev. Rees is president of the Charleroi Ministerial Association, and his brother pastors, as well as the members of the local church, regret his decision to leave. He goes from Charleroi to become pastor of the First Baptist church of Beaver Falls, Pa.

PASTOR SPEAKS ON THE PEACE TREATY

Sabbath evening, in the Washington avenue Presbyterian church Rev. John R. Burson, the pastor, delivered a discourse on the "Peace Treaty" that was much enjoyed by the large audience present. In his introduction Rev. Burson spoke of the magnitude of the undertaking, saying that its 80,000 words and 1,000 contributing specialists, made it the longest and greatest state document in human history. Samson, one of the Judges, when shorn of his power, was said to represent the haughty German nation today. The pre-war history was discussed, and the speaker said that the treaty must do justice to four parties, the criminal, the victims, the living and the dead. On a large map he showed the new nation of Poland and said that the trend of the treaty was in defense of the oppressed peoples of the world. This is the time of retribution for outlaw nations said the speaker, and twenty-seven nations have passed sentence on one criminal nation that went out on a mad career for "World Power or Downfall."

Rev. Burson gave an outline of the treaty, saying that it is not a perfect document but that the spirit of the treaty would surely end toward world peace in the future, and that it would make it difficult for any nation having a grievance to go to war without having its case reviewed first.

WILL COMPILE NAMES OF FIVE HUNDRED CLUB

Dr. B. D. Hetrick is compiling a full list of the subscribers to the Five Hundred Club of the Victory Liberty Loan, which will be published within a few days. The club reached a membership of about 250, which is considered a splendid number considering the fact that so many loans had been previously floated.

NO OFFERS FOR BONDS

Local Issue Not Attractive Enough for Investors

OTHER BUSINESS DISPOSED OF

A regular adjourned meeting of the borough council was held at the borough building Monday evening, at which time considerable important business was disposed of.

This was the date for the receiving of bids for the sale of $40,000 worth of bonds, from the proceeds of which it was expected to take care of obligations arising from the erection of the new borough building and its furnishment. However, council was very much disappointed in not receiving a single offer for the issue. A letter from a broker said the rate of interest offered was not attractive enough to invite an investment at this time, and consequently would make no offer. Whether any further inquiries will be received is not known.

Council at this time looked over furniture for the new building, and made a selection, and the contract, when awarded, will be given to the Baker Office Furniture Co., of Pittsburg.

Mr. Swickey reported that he had made an investigation of the curb on Lookout avenue between Sixth and Seventh streets, and after hearing his report Council decided to have the curb raised between those points.

The borough clerk was instructed to prepare and send a resolution to our representatives in the Legislature asking them to support the bill now before the Assembly which would give one-half of the proceeds of motor license originating in boroughs to such municipalities.

The chairman of the finance committee reported having gone over the receipts and expenditures of the year 1918 and recommended the millage for the present year be fixed at the same figure as last, or 15 mills, which was agreed to.

Council adjourned.

Serious Charge Made Against Railroad Man

Charles Edwards of West Brownsville, is in the Charleroi lockup, awaiting his release under $2,000 bail for a hearing before Justice of the Peace Paul R. Nutt, on a charge of embezzlement and forgery, while Max Sachs and Joe Fauste, who have a concession with the Hunter shows now exhibiting in Monessen, are also held to answer to a charge of operating gambling devices and receiving stolen goods.

Edwards, who is an employe of the Pennsylvania Railroad Company, at West Brownsville Junction, is accused of stealing three checks belonging to other employes, forging their signatures and having them cashed. This money, amounting to about $150 as well as a bout $55 of his own Edwards is alleged to have gambled away with Sachs, who says he owns a concession with the Hunter shows. Fauste is the man who cashed one of the checks for Edwards and he is accused of receiving stolen goods.

All of these alleged transactions are said to have occurred last week while the Hunter shows were exhibiting in Brownsville. Sachs and Fauste will receive their hearing Friday morning, according to present arrangements. Edwards, who practically admits his guilt, expects to post bail for his release before evening and will then return to West Brownsville. The arrests were made by Railroad Officer F. W. Jones, Edwards being arrested at the Junction and Sachs and Fauste being taken in Monessen, where the Hunter shows are now exhibiting.

BIG SHOW HERE ON THURSDAY

The show ground of the Hagenbeck-Wallace circus is a city within itself, lacking only a town council and a state charter. It has its own lawyers, postmaster, dentists, doctors, carpenters, painters, detectives, blacksmiths, wagon-makers, laundrymen, barbers, shoemakers, tailors, sailmakers, harnessmakers, storekeepers and photographers. It supports a great hotel in which thousands of meals are cooked and eaten every day in the week.

Twenty-two tents that cover a small size farm, house the circus in the day time. The largest tent is 540 feet in length and among the biggest ever constructed. Six gigantic oak poles form the chief support. Anyone of them is larger than the largest mast of a sailing vessel. The big show has exhibited in every city of any size in the United States. While the Hagenbeck-Wallace show is an American institution and entirely controlled by capital of this country, yet the show is equally well known in the old countries.

The wonderful, creative ideas of Carl Hagenbeck and the remarkable systems of B. E. Wallace are still the active principles of the management. Not a year has passed without improvement and growth. On Thursday May 15, the big show will come to Charleroi with an entire new equipment. The program that is offered is the best this season in the history of the organization.

Notice P. H. C. Members.

Final rehearsal for Mock Trial this evening at 7:30 at 525 McKean avenue. Circle will convene Wednesday evening at 7 o'clock instead of at 8.

289t1—*

ANOTHER MURDER IN THE COUNTY

Another murder was added to the Washington county list on Saturday night last, when Andrew Lauderbach, aged 50, was shot and killed while on his way home with his son Charles, from Monongahela. The two men were walking on Park Avenue, and when near the old driving park were held up by three men, who commanded them to hold up their hands. Lauderbach and his son complied, when the hold-up men immediately opened fire, three bullets striking the senior Lauderbach, killing him almost instantly.

The son did not recognize the assailants, as it was quite dark at the time of the shooting. Immediately after the assault the three men ran away without attempting to rob either of the Lauderbachs. The son at once summoned a physician from Monongahela, but his father was dead before they arrived. A man and his wife were passing along the road at the time saw the three men running, but did not recognize them.

Coroner Heffran was notified and has conducted a preliminary hearing, but has not yet set a time for an inquest.

A number of members of Charleroi Council, No. 1024, F. P. A., went to Fayette City last evening to pay a fraternal visit to Morning Star Council No. 29 of that town. State officers were present, and quite an enjoyable evening was spent by all.

The Kensington club of the Christ Lutheran church will be entertained at the home of Mrs. James Sharp, 825 Fallowfield Ave, Wednesday afternoon. 289-t1*

COAL PRODUCTION IN SIXTH POOL RAPIDLY INCREASING

Over 10,000,000 Bushels Through Lock in April

A GREATER TONNAGE EXPECTED

The report of Lock No. 6 for the month of April shows that 173 steamboats and 794 barges containing 10,297,000 bushels of coal passed down through the lock, this being the greatest amount of craft and coal to pass through No. 6 in the history of that lock. As Lock 6 is but a single one, and all between it and Pittsburg are double, the figures above show the efficiency of the crew under the capable direction of the superintendent, W. L. Roseberry.

The large increase in tonnage is due largely to the Carnegie Steel Company, whose fleet of five steamers make daily trips to and from the sixth pool. This fleet consists of the W. H. Clingerman, Duquesne, Monitor, M. D. Wayman and the Clairton, which was recently placed back in the trade after extensive improvements and changes had been made on her. The traffic of the sixth pool is expected to be doubled after the first of July, when the Carnegie Company will add a number of additional boats to its fleet, and which will enter the trade of towing coal to the by-product plant at Clairton. The present fleet of five boats can only supply about half the needs of the ovens and the company is particularly anxious to get the other boats now building into service.

While the Carnegie Steel Company is the largest shipper from the up-river pool, it is not the only one, as the Crucible Steel Co., the Pittsburg Steel Co., and the Hillman Coal and Coke Co., also have extensive interests there and all of them operate two or more boats in the pool.

When the Carnegie company has attained its full development in the sixth pool it will require greater facilities at lock 6 than are now available.

SEVENTH POOL MINERS ARE OUT ON A STRIKE

Following a strike for higher wages at the Seventh Pool coal mine Thursday evening last, the men, about 50 in number, organized and marched through the streets of Greensboro. The coal mine, which has been closed down for some time just recently opened with a cut in wages of 25 per cent. The man asked for the scale price. The mine where the trouble has occurred is located about a half mile above Greensboro.

TO GET THE ONCE OVER

Monongahela Merchants To Face Charges Of Shortage

CASES LISTED FOR WEDNESDAY

Monongahela grocers and retail fruit dealers are to be given the "once over" by O. Evans Mikesell, Sealer of Weights and Measures for Washington county. Sixty-eight cases, involving about 100 suits, have been entered before Alderman Parkinson and Elwood, and the trials have been set for Wednesday, the 14th, at which time the accused dealers will be asked to explain alleged violations of the weights and measures law by giving short weights in purchases made.

Investigations have been under way in that city for the past two weeks, and the results have been in Sealer Mikesell's hands for several days, the hearings to be held tomorrow if it can be so arranged. The presecutions in Monongahela are along the same lines as those conducted in Donora, Charleroi, California and other towns in the county, and it is alleged that numerous violations of law were found. Should the allegations made against these dealers be sustained, it will mean a fine for the offenses said to have been committed, ranging in size according to the seriousness of the case made out. In many of these cases the fines are but nominal, the idea being to prevent any further violations of the law rather than pile up the costs on the dealers.

TWO MEN MAY BE HELD FOR BOEHME MURDER

Andy Graylock and Manus Campbell, now in the county jail at Washington, may be held for action by the grand jury, for complicity in the Otto Boehme murder. There are two other men whom the police would like to secure in connection with this tragedy, but who have so far managed to elude the officers of the law.

MUSICAL AUXILIARY MEETS WITH MRS. BARGER

The Musical Auxiliary was entertained at the home of Mrs. G. T. Barger on Prospect avenue Monday evening. The following program was rendered: Piano solo, Mrs. May Barth Kinder; song, Mrs. A. G. Lewis; solo, Miss Della Jacobs; song, Miss A. G. Lewis; solo, Miss Della Jacobs; song Miss Elizabeth Frew; piano duet, Mrs. Marguerite Gaut and Mrs. Mabel Kent; song Miss Isabella Dorbrit z. The remainder of the evening was spent in practicing for the concert to be given by the members of the auxiliary on Tuesday May 27. Refreshments were served by the hostess, Mrs. Barger and Mrs. John S. Metz.

The report that the former Kaiser is to be tried comes just about as often as the report that he is not to be tried.

PROTECT THE ROADS.

The Harrisburg Telegraph in its issue of the 8th inst, in speaking of the program of road building about to be undertaken by the State, says:

"The State Highway Department has been taking great pains to see that inspectors who will pass upon work under construction are men qualified for the job, thereby assuring the best possible results, and in seeing to it that the least possible damage is done to the State's highways. This is commendable. The department owes it to the taxpayers of the State to see to it that every possible precaution is taken to protect the tremendious investment Pennsylvania is making in improved highways.

"Senate Bill No. 796 contains provisions which will save pavements. This bill regulates the use of tractors and would bar from highways those huge machines the flanges of which cut and tear the surface. The Highway Department has suggested, and the suggestion doubtless will be heeded, that agricultural implements, such as grass mowers, binders, manure spreaders, hay loaders, hay rakes, grain drills, potato planters and similar mechanisms be excluded from the provisions of the act, which incidentally supplements the original traction law of June 8, 1915. All agricultural trailers, such as farm machinery, water or coal wagons, are excluded from the provisions of the act insofar as license charges are concerned. The Highway Department also suggests that caterpillar tractors be permitted to operate 'with such modifications as the Highway Commissioner may prescribe.

"The Department is urging certain restrictions because it wishes to protect the people's investment. It is all very well to suggest that roads be built that will stand up under all sorts of traffic, under all conditions,' but the common sense slant at this proposition shows its absolute impossibility. A castiron highway might do it, were it of sufficent thickness. Or concrete, if blocks could be laid without expansion joints and of very great thickness. The Appian Way, to which reference is so often made went to pieces as originally put down by Appius Claudius, and as rebuilt consisted of giant blocks two or three feet in thickness, bound together with a natural cement. The cost so prodigious that it is not possible to attempt such construction in these days.

"Governor Sproul and Highway Commissioner Sadler have a two-way job-first, to see that Pennsylvania gets roads; second, to see that these roads stay with us. Pennsylvania has had too many of fly-by-night construction. It is refreshing to note that we are not only to watch the roads as they do down, so that we will know we are getting what we pay for, but that we are going to keep watching them after they are down, so that they will stay there."

THE LOCAL CAMPAIGN

While the Charleroi bank area did not reach its quota, the town proper did reach the amount which had been assigned to it, and as a consequence will receive an honor flag from the treasury department.

The local campaign was made under totally different circumstances from those which preceded it. War had been over for six months, and the country is getting on a pre-war basis. The soldiers are coming home, and by reason of industrial re-adjustment, many plants are closed down for the time being, many men being idle as a consequence. Yet in spite of these conditions all of which tended to retard the sale of bonds, the people of the community rallied to the support of Chairman Berryman and helped him to put the town on the firing line. Charleroi's record in all of the Liberty Loan campaigns has been most creditable, and while the area of which we are the center, failed to measure up in the campaign just closed, the town itself was no laggard but held up its end in splendid style. Chairman Berryman had a strenuous period during the three weeks in which he was in charge of the campaign. His own business interests received but scant consideration, the greater part of his time being devoted to public interests in promoting the campaign. The community owes a great deal to such men, who not only in the Victory Liberty Loan, but in former campaigns gave so much of their time and energy and ability to place the town in its proper place.

As a result Charleroi is a great deal richer as a community, and many of its citizens have savings invested in bonds who prior to this time did not have a dollar saved for the proverbial rainy day. The campaign has been mutually beneficial, for which we should be duly thankful.

Complete reports of the committees for the Victory Liberty loan are not yet available, so that it is impossible at this time to give the totals for Charleroi and vicinity. Clerks at the headquarter will be busy for some days yet in taking care of all the details of the campaign, in the way of checking up on sales and payments made, and the totals will not be available for some time yet. Chairman Daly has figures on the totals of the county up to Monday evening, which showed the western area had sales amounting to $4,342,200 and the eastern area of $3.0009,100, or a total of $7,351,300.

The Germans complain of the way the Belgians are treating them in the occupied area, but we may at least be sure that the accused are not retaliating by carrying off German youth and maidens into distant slavery.

Bishop Henderson has an eye for the punishment that fits the crime. He wants to see the ex-Kaiser forced to break stones to rebuild the destroyed churches of France and Belgium.

President Wilson gave a fifteen-minute audience the other day to "a delegate from Chaldea," but Nineveh, Tyre and Sideon are still to be heard from as putting in claims for recognition.

REV. SAM SMALL TO SPEAK AT BENTLEYVILLE

A community rally is scheduled for Thursday evening, May 15, at 8 o'clock in the Baptist church of Bentleyville, with Dr. Sam W. Small of Georgia as the speaker. The meeting is to be an official celebration of the death of John Barleycorn. Dr. Small's subject will be, "Mopping up the Nation."

COMMISSION WILL PASS ON MEMORIALS

Governor Sproul has approved a bill which creates a commission to pass upon all designs and locations of all public monuments, memorial buildings and like undertakings which may be erected in honor of soldiers of the great war.

WANTS NAME OF AVENUE CHANGED

According to the Monessen Friday Evening Call, Col. Schoonmaker wants the name of the avenue in that town named in his honor changed to some other appellation. The Call therefore suggests the name of "Nearbeer" avenue as being commemorative of these time of changes.

ALLENPORT GROWING TOWN OF IMPORTANCE

Says the Fayette City Journal: With many of the houses in the steel works plan across the river lighted up at night, Allenport is getting to look like a city almost as large as our town.

ROAD IS APPROVED BY THE GRAND JURY

The grand jury at Washington on Friday approved the Twilight-Coal Centre road, a petition for which had been filed several days ago.

Among the recent local real estate deals is one in which Charles Schneider transfers to Lui Sotta of Cokeburg a lot fronting 20 feet on Sixth street, Charleroi, consideration $1,725.

M. T. Crowley and John Henrion left on Monday for Harrisburg where they will attend the meeting of the State Council of the Knights of Columbus.

Beginning May 1 all union Barber Shops will open at 8 a. m. and close at 7 p. m. except on Saturdays when they will open at 8 a. m. and close at 9:30 p. m. 265-t26p

NEW LAWS FOR THE BOARD OF TRADE

At the meeting of the Charleroi Business Men's Association, held last Thursday evening, the following constitution and by-laws were adopted, which not only changes the name of the organization but provides regulations for its government. They are as follows:

CONSTITUTION

Article I.
Name

The name of this association shall be "Charleroi Board of Trade" of Charleroi, Washington County, Pennsylvania.

Article II
Object

The object of the Charleroi Board of Trade shall be to promote the general welfare of Charleroi and vicinity, encourage and develop the commerce, manufacturing, agriculture, good government and all matters which will tend toward the better development of the city and vicinity.

Article III.
Membership

The membership shall be composed of all persons looking to the common good and advancement of the interests and welfare of thecity and vicinity, complying with the requirements of the constitution and bylaws of this organization.

Article IV
Management

The management of the organization shall be in the hands of a Board of Directors consisting of nine members.

Article V.
Elections

1. At the first annual election nine directors shall be elected under provisions of the bylaws of the association. Three of the directors so elected shall serve for one year; three for two years, and three for three years, and until their successors shall have been duly elected and qualified. Following the first election the nine directors so elected shall meet and determine by lots who shall be the three directors to serve for one year, two years and three years.

2. Officers shall be elected by the Board of Directors at a meeting to be held following each annual meeting. The officers shall be a President, Vice-President, Treasurer, at the same meeting, or as soon thereafter as possible, the Board of Directors shall appoint a Secretary and such other officers, agents and managers as may be found necessary from time to time.

3. The Board of Directors may at their discretion conduct the work of the organization under Bureaus to be known as follows:

Bureau of Commerce. Bureau of Manufacturing. Bureau of Agriculture. Bureau of Civics. Bureau of Traffic. Bureau of Publicity. Bureau of Business Ben.

Each of the said Bureaus to consist of five members to be appointed by the Board of Directors to hold office for the fiscal year.

Vacancies in the Board of Directors or among the officers and employees of the Board of Trade shall be filled by the Board of Directors in each case for the unexpired term.

Article VI

This constitution may be altered or amended by majority vote of the members of the association present at any meeting called as required in the bylaws, provided notice of the proposed alteration or amendment shall have been giving in writing to the members at least thirty days prior to the said meeting.

Article I.
Membership

1. Persons eligible to membership shall be elected at any meeting of the Board of Directors and shall pay membership fee of $6. per membership per annum.

2. For delinquency in payment of dues or other sufficient cause the Board of Directors may by a two-third vote of the members present at any regular meeting suspend a member or cancel the membership of any person.

Article II.
Dues

1. The dues of each active member shall be $6.00 per year, payable annually in advance. Such year shall commence at the date of election to membership and run to end of fiscal year.

Article III
Elections

1. At least one week before the annual election of Directors, which shall be held on or before the 30th of June, notice that such an election is to be held, and giving such other information in regard thereto as may be necessary, shall be mailed to all active members. Nominations shall be made by the active members suggesting as many names of active members in good standing as there are directors to be elected on a blank provided for the purpose on or before June 10th. The names so suggested shall be tabulated and there shall be submitted as nominees at the election a number of names equal to twice the number of directors to be chosen, the names submitted being those receiving the highest number of nomination votes. From the list of nominees sambitted, the active members shall elect directors by ballot at the annual eleection.

2. The Board of Directors at a session to be held not later than one week following the annual election, shall elect a President, Vice-President and a Treasurer. All officers shall be chosen from the Board of Directors and for a term of one year.

3. The Treasurer shall furnish a Surety Company bond in such amount as the Board of Directors may deem necessary and thecost of the same shall be paid out of the funds of the Organization.

4. The Board of Directors shall fix the salaries of all officers and employees.

Article IV.
Duties of Officers

The Duties of the officers of this association shall be such as by general usage are indicated by the titles of the respective offices.

Article V.
Committees

The President shall appoint such standing committees as may be necessary subject to the approval of the Board of Directors except that a Finance Committee shall be composed of the Treasurer, who shall act as Chairman, the President, Vice-President and two other members to be named by the President.

Article VI
Funds.

1. All money paid into the association shall be placed in a general fund, except those subscribed or contributed for some specific purpose, in which event they may be placed in a separate fund for such specific purpose.

2. The Finance Committee shall have charge of the revenues of the association and shall audit the books of the association at least once a year. The fiscal year of the association shall end June 30th.

3. No obligation or expense shall be incurred and no money shall be appropriated or paid out of the general fund, except for current expenses, without a recommendation of a majority of the Finance Committee and approval of the Board of Directors.

Article VII
Meetings

1. Regular meetings of the association shall be held in October, February and May and special meetings held at any time on the call of the President or on the written request of any ten members in good standing. At all meetings of the association twenty shall compose a quorum.

2. The Board of Directors shall held a regular monthly meeting. A special meeting may be called at any time by the President or by any three members thereof: provided that when called otherwise than by the President, a call shall be issued to every member stating the purpose of the meeting, not later than the day proceding the meeting. At all meetings of the Board of Directors five shall constitute a quorum.

3. Standing committees are empowered to hold meeting, at which a majority shall constitute a quorum.

Article VIII.

At all meetings the order of business shall be as follows: but may be suspended, on motion to that effect, by a two-thirds vote of the members present.

1. Reading of the minutes.
2. Communications.
3. Unfinished business.
4. Reports of Officer or Committee.
5. New Business.

Article IX.

These by-laws may be altered, amended, or added to at any regular meeting, provided notice has been given to that effect at least one week prior to the date of the meeting.

ALL OF OLD TENTH IS NOW AT CAMP DIX

All of the units of the One Hundredth and Tenth infantry, formerly the old Fighting Tenth, are now at Camp Dix, the remainder of the regiment having arrived in Philadelphia on Monday on the transport Santa Oliva. It is expected the regiment will parade in Philadelphia on Thursday, in the meantime the work of preparing for demobilizition progressing as rapidly as possible. All of the men are anxious to get home, and it is expected they will be able to leave Camp Dix some day early next week.

Dead Weights on Live Tires

Every time your truck strikes a hole, the load, dead, inanimate and tons heavy, heaves and crashes down on the rear axle and mechanism.

And with but one real shock absorber—*the tires!*

Still if the tires have no real give, no marked resilience, the mechanism must retain the shock—and depreciation and breakdowns are hastened.

Here is where GOODRICH DE LUXE Truck Tires daily save many dollars for operators in upkeep and depreciation.

So deep and lively are DE LUXE treads as to absorb *within themselves* the most staggering road jolts.

Then again they put more working rubber under the load—because there is no tread rubber hidden below the top level of the steel channel base.

In consequence, whatever your class of service, you may rest assured DE LUXE is the best, most economical "shock absorber" you can put between road and load.

"CAN I BE CURED?" SAYS THE SUFFERER

How often have you heard that sad cry from the victims of disease. Perhaps the disorder has gone too far for help, but oftener it is just in its first stages and the pains and aches are only nature's first cries for help. Do not despair. Find out the cause and give nature all the help you can and she will repay you with health. Look after the kidneys. The kidneys are the most overworked organs of the human body, and when they fail in their work of filtering and throwing off the poison that constantly accumulates in the system, everything goes wrong. GOLD MEDAL Haarlem Oil Capsules will give almost immediate relief from kidney and bladder troubles and their kindred ailments. They will free your body from pain in short order. But be sure to get GOLD MEDAL. Look for the name on every box. In three sizes, sealed packages. Money refunded if they do not help you.

Our Job Department is always busy —there's a reason.

Notice to Coal Dealers.

Sealed proposals for the delivery of 18,000 bushels, more or less, of first class Pittsburgh vein run of mine coal, to the several school buildings will be received by the Board of Directors of the Charleroi School District, until 8 o'clock, Tuesday evening, June 3, 1919.

All coal cellars are to be filled during the summer vacation and additional furnished as needed during the next term of school. Each bidder is requested to submit prices for removing ashes from the buildings.

Governor William C. Sproul, his home, "Lapidea," and his living room with its Lester Player-Piano

Pennsylvania's Governor Appreciates Good Music

Those who have watched the splendid career of Governor William C. Sproul with the greatest satisfaction admire more than anything else in him his sterling manhood and his deep love of home. It is only natural that such a man, a power in finance and industry, as well as politics, should give music a prominent place in his daily life.

The following letter, written by him to the Lester Piano Co., is an entirely voluntary expression of his opinion concerning the pianos he has had in his own home:

Gentlemen: I have had considerable experience with your pianos and piano-players, and they have given me excellent service and satisfaction. The original Lester piano which we had for a number of years was a splendid instrument. I replaced it with a Lester Player-Piano, however, about five years ago, and this instrument, likewise, has been a great pleasure and satisfaction to us. We regard the Lester piano very highly, and your product is held in high honor here in the neighborhood where it is made.

Very truly yours,

WM. C. SPROUL.

Governor Sproul, typifying the best citizenship of our country, is joined in his satisfaction with Lester Pianos by such internationally famous artists as Louise Homer, Olive Fremstad, Margareta Ober, Bella Alten, Alice Neilsen, Charlotte Maconda, G. Campanari, Alfred Hertz and Franz Kneisel, who have spoken enthusiastically of their high musical qualities.

Their rich mellow tone, easy action, superb finish and wonderful durability place them among the world's foremost pianos. And, yet, with all their admitted superiority, they are as easy to own as the inferior, "assembled" kinds, because they are sold direct, eliminating all "in-between" profits of agent and jobber. Let us show you how conveniently you can own a Lester.

E. G. HAYS & CO.

633 Smithfield St., Pittsburgh, Pa.

Gentlemen: Please send me booklet and complete description of your famous Lester Grand ☐ Lester Upright ☐ Lester Player-Piano ☐ also details of easy-payment plan without interest or extras.

Please mark with X style in which you are interested.

DONORA MAN IS SENT TO PENITENTIARY

Henry Preston, colored, of Donora, upon a plea of murder in the second degree, before Judge McIlvaine at Washington on Monday, was sentenced to an indeterminate term in the Western Penitentiary, not to exceed 20 years and not less than eight years. Preston shot and killed Mrs. Mollie Adams, a woman of ill repute at her home in Donora on the night of April 20.

FAVORABLE ACTION ON PLAYGROUND LEGISLATION

The Thompson bill, empowering cities of the second and third class, boroughs and counties to acquire, maintain, and operate playgrounds and recreation centers and providing the right of eminent domain for such purposes, was passed by the Senate at Harrisburg on Monday.

The world has been made safe for democrocy, but 1920 is still to be made safe for the Democrats.

Camel Cigarettes

CAMELS are as delightful to your taste as they are new. And, so satisfying that they meet every cigarette desire you ever have had.

Camels are unusual; in fact they're unlike any cigarette you ever smoked. That's because they're an expert blend of choice Turkish and choice Domestic tobacco, producing a quality that meets your taste as no other cigarette ever did.

Camels' expert blend gives that mellow-mild-body and frees the cigarettes from any unpleasant cigaretty aftertaste or any unpleasant cigaretty odor. You can smoke Camels as liberally as you like without tiring your taste.

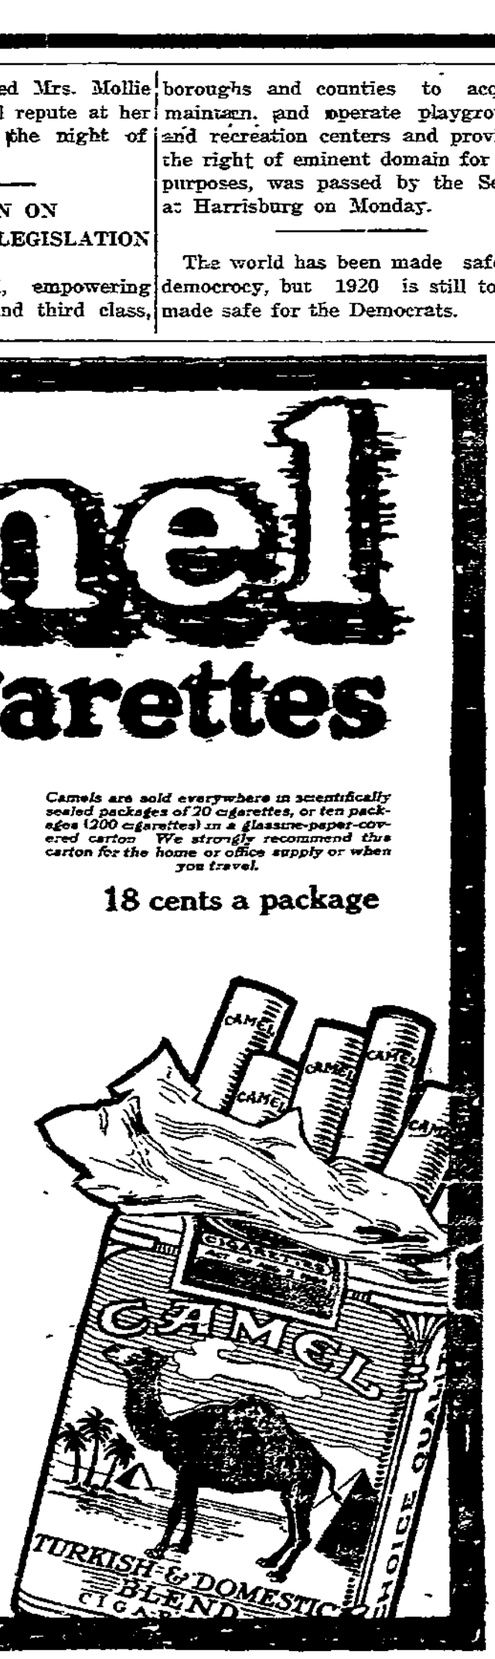
You have only to get personally acquainted with the expert Camel blend to know that you prefer it to either kind of tobacco smoked straight!

For your own satisfaction compare Camels with any cigarette in the world at any price!

R. J. REYNOLDS TOBACCO CO., Winston-Salem, N. C.

Camels are sold everywhere in scientifically sealed packages of 20 cigarettes, or ten packages (200 cigarettes) in a glassine-paper-covered carton. We strongly recommend this carton for the home or office supply or when you travel.

18 cents a package



LIEUT. CRUMRINE IS MARRIED AT CLARKSBURG

Lieutenant George R. Crumrine of Fredericktown, a member of the Fifteenth Engineers, now at Camp Sherman for demobilization and Miss Virginia Zerby of Clarksburg were married at noon Monday in that city by Rev. J. W. Angle, pastor of the First Methodist Episcopal church of Clarksburg. The couple will make their home in Pittsburg. Lieut. Crumrine is well known in this vicinity, having for a time been employed on government work at Lock 4.

NEW FERRYBOAT AT FAYETTE CITY.

The Allenport and Fayette City Ferry Company is installing a new ferry flat and it has been decorated with a bright red coat of paint. It is strongly constructed and a great improvement over the one about to be discarded. Owing to the large number of heavy trucks and automobiles passing over the ferry of late the new flat has been built accordingly to withstand the heavy traffic.

ELDORA PARK SOLD TO S. L. WOODWARD

Harry W. Scott, trustee in bankruptcy, on Saturday afternoon last, sold to S. L. Woodward, of Charleroi, all the property and rights of the Eldora Amusement Company, located at Eldora Park. The sale will now be presented to the referee in bankruptcy for confirmation, and he is expected to pass on the validity of the transaction on Thursday next.

BANNER AWARDED TO SUNDAY SCHOOL FOR MERIT

A banner of merit was unfurled last Sunday morning at St. Mary's Episcopal Sunday school by the superintendent, Mrs. Andrew Murray. The banner was awarded by the Diocesan Board of Religious Education for the highest standard of excellance obtained in schools of various sizes, St. Mary's heading the list in schools of its own class.

Adversity not only reveals a man's metal but also identifies his genuine friends.

STREET CAR TROUBLE MAY BE AVERTED

The threatened strike of street car men which had been feared would take place midnight Saturday, has been postponed until Wednesday at least, and possibly all fear of a cessation of work has been removed. The receivers of the Pittsburg Railways company will appear before the United States Circuit Court today and ask permission to have the trouble between the street car company and its employes referred to the War Industries Board for adjustment if this is allowed, it is likely that the strike will be stamped out and trouble averted.

IN MEMORIAM.

In loving memory of our dear son, Grover Cleveland Castor, Died May 13, 1918.

We turn away in sorrow,
More and more each day we miss you.
We miss you everywhere.
Home is not what it used to be since Grover Cleveland is not there.
Friends may think the wounds are healed,
But they little know the sorrow
That lies within the heart concealed.
Peaceful be thy rest, dear son
It is sweet to breathe thy name
In life, we loved you dearly.
In death, we do the same.

Sadly missed by
Family and friends.

DEFENDANT DENIES OWING MONEY CLAIMED

The Monongahela, Ellsworth, Washington Railway company has filed an affidavit of defense in the suit filed by the Hallam Construction company of Washington, per the receiver, Attorney T. B. H. Brownlee. It is denied that the engineer's estimate, on which the action is based, is the final estimate for the work done. It is also denied that the "extra work" was performed by the construction company either with or without a written order from the defendant's engineer. This extra work amounted according to the plaintiff's claim to $437.51. It is alleged that $77.25 worth of work was done for the Loram Steel company and paid for by that firm. The sum involved in the action is $5,155.31. It is also claimed in the defense that the work was not done in accordance with the contract and specifications.

The M., E. & W. street railway company is a Monongahela corporation and several years began the construction of a line which was to extend up Pigeon creek, with the idea of reaching Bentleyville and Ellsworth, and ultimately the county seat.

THOUGHT 3 LITTLE CHILDREN NEEDED MOTHER'S CARE

"My stomach suffering was so severe that I could not have lasted much longer. I did not care so much for myself but did not want to leave my three little children who needed a mother's love and care. A cousin in California wrote me about Mayr's Wonderful Remedy and I took a course of it. I have since been entirely well" It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflamation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded.

Carroll's pharmacy and druggists everywhere.
